## Application Policy

This Company is strongly committed to providing quality service and a safe, clean environment for its residents. To that end we have established consistent procedures for review of Residency Applications. It is our policy to have each prospective tenant fill out a complete form. Each application is thoroughly reviewed, and accepted or rejected based on the criteria below. Incomplete, inaccurate or falsified applications will be rejected. Applicants who do not meet the established criteria will be rejected. Please read this information and the application carefully. All prospective tenants will be informed of availability of units that correspond to their inquiries, and provided an Application for Residency. We will also supply, at applicant's request, a copy of the lease form and all associated addenda.

### Application Criteria and Guidelines

- There is no application fee, and no Earnest Money required.
- Each adult (18 years of age and older) applying for residency must complete an application.
- We will not hold any unit during the application process and make no guarantee that an apartment will be available as applications are processed as received. Applicants approved first will have first choice of apartments. Once an application is approved, applicant has 3 days to accept an apartment and sign a lease. Considerations may be given if applicant cannot sign a lease in the allotted time.
- To be approved, applicant(s) must supply verifiable information to meet the following criteria:
  1. *Proof of Employment* or other documented income or assets to support the ability to pay the rental commitment. (See Income Standard Disclosure, below.)
  2. *Positive Credit History* showing responsibility for honoring commitments and a strong history of payment of bills as well as a viable debt-to-income ratio. We do not depend solely on the FICO number.
  3. *Housing References* from current and/or previous landlord/management entity or mortgage holder or company to establish a housing history.
  4. *Criminal Background* free of issues and behaviors that could put the property, the community or its residents and staff at risk of damage, harm or adversely affect the reputation of same.
- Management reserves the right to reject any application that is incomplete, falsified or unverifiable. The application does not constitute a contract for rental.
- Management reserves the right to modify the criteria or to adjust acceptable limits and requirements to meet those criteria subject to prevailing market factors.
- Disclosure of an applicant's Social Security Number (SSN) is voluntary, and housing will not be denied solely on the applicant's decision to withhold their SSN. However, processing and approval of an application may be delayed or be impossible without the SSN.
- In compliance with Equal Housing Law, none of the following factors will be considered to assess the qualifications of an applicant: race, color, national origin, gender, gender or genetic identity, religion, age (over 18), family status, marital status, mental illness, physical condition, lawful source(s) of income, ancestry, sexual orientation, physical appearance, political belief, military discharge, student status, social security number disclosure, citizen status, victim of domestic abuse, sexual assault or stalking, or arrest/conviction record (excluding applicants who have certain conviction record of offenses that would cause a reasonable person to have a justifiable fear for the safety of other residents or employees).
- Management will make reasonable effort to check and verify application information in as prompt a manner as possible, but cannot be responsible for delayed processing or approval due to unavailability of, lack of response from, or failure of cooperation from reference sources.
- Cosigner may be considered to make up for inadequate income or lack of housing references; however, it will not substitute for bad credit or negative housing references.

### Minimum Income Standard Disclosure

As a part of the prospective resident screening process, we use a Minimum Income Standard as a guideline. Applicants must provide reliable, demonstrable evidence of a monthly gross income equivalent to three (3) times the rent on the unit for which they are applying. However, in accordance with statute, if the applicant(s) can provide proof of paying rent over the previous two (2) years comparable to that which we will be charging them, the three-times factor will be waived.

Acceptable forms of reliable, demonstrable evidence of ability to pay would include:

- Employment reference(s) willing to disclose or verify amount of income claimed on the application.
- Letter or other proof of Offer of Employment from a new employer, including compensation to be received.
- Pay stubs/wage statements from the two (2) most recent payrolls.
- Proof of government assistance, student aid or similar (only if it is to be considered as income for this purpose).
- Original bank statement(s) showing current balance in savings or checking account(s).
- For acceptability of other forms, please check with Management

### Community Occupancy Standard

We hereby establish the following Standard of Occupancy for this Community:

- One-bedroom apartments                      Maximum of two (2) individuals + 1 child under 5 years of age
- Two-bedroom apartments                      Maximum of four (4) individuals + 1 child under 5 years of age
